## WHAT'S NEW... and more!

*May 2011*

### ***New on the Canada Business – New Brunswick Website***

Here are some of our **blog's** latest topics:

#### **The Value of a Bilingual Website**

Should you offer your website in two or more languages?

#### **The 5S System: thinking lean about your business**

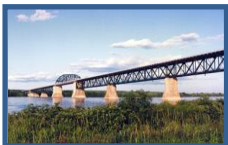

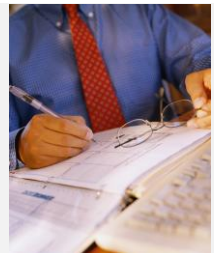

Consider using an organizational tool such as the 5S system; implementing a leaner process could make your business more efficient and productive.

#### **Why have exit interviews?**

Find out how conducting exit interviews can strengthen your business.
